RISE Center Regular Hours

Monday-Friday 12-6 PM Saturdays 12-4 PM

What is the RISE Center?

- A tranquil environment where both individuals in recovery and family members have access to health and wellness related resources, with a specific focus on recovery from substance use disorders.
- A community center staffed with Certified Recovery Specialists (CRS) with personal experience and training in recovery from substance use disorders.
- A space that embraces all pathways to recovery.
- A safe place for individuals in recovery to gather for meetings, activities and events.

What the RISE is NOT:

- The RISE Center is not a drug and alcohol or mental health treatment facility but complements and reinforces the positive changes of the treatment experience.
- The RISE Center is not a clubhouse. Through collaboration with community-based social services, recovery organizations, and volunteers, the RISE Center will create an essential support network for the recovering community.
