Pennsylvania Opioid Settlement Funds: Important Links

1: Council on Chemical Abuse

http://cocaberks.org/opioidfunds

Find information about Berks County Settlement Funds including: services eligible for funding, how to request funds, expenditures to date, and brief descriptions of all current and former projects funded..

2: Pennsylvania Opioids Misuse and Addiction Abatement Trust

https://www.paopioidtrust.org/

Access a wide range of resources to learn about abatement funds and the trust, including a link to Exhibit E and other information covering nearly everything you might want to know about the trust funds.

3: Exhibit E

You can also do a web search simply for Exhibit E Opioid Settlement Funds or click here.

4: Penn State Opioid Settlement Data

https://www.paopioidsettlementdata.org/

Find information regarding the distribution of opioid settlement funds and how funds are being used in PA . Data is searchable by county, state and litigating subdivisions. To find Berks County programs, select Counties, then Berks, and choose your desired program. Clicking on a program brings up a list with options from all counties, but you'll land near Berks County entries. Scroll slightly ↓↑ to find the specific Berks programs. If you lose your place, return to the starting page and select a Berks County program again. **You can learn more about the website here:**
